### Practice 4.1

At least half of the board comprises independent directors. For Large Companies, the board comprises a majority independent directors.

<b>Application</b>	:	Departure
<b>Explanation on application of the practice</b>	:	
<b>Explanation for departure</b>	:	<p>5 out of the 11 directors or 45.9% of the Board are independent directors</p> <p>The Board despite not able to comply with the MCCG 2017 of having more than 50% of the Board comprises of Independent Directors has been effective and always have the independence element in decision making as spelt out under the Code. The Chairman of the Board is an Independent Director and he has a casting vote in case of an equality of votes, hence the intended outcome for board decisions to be made objectively in the best interest of the company is still achieved. In the past years, all major decisions of the Board have been unanimously agreed upon after due deliberation.</p> <p>The Board comprises of eight (8) non-executive directors and three (3) executive directors. This composition of more non-executive directors is to provide a further check and balance to the decisions of the Executive Directors, allowing for more effective oversight of Management besides ensuring that the interests of all shareholders and stakeholders are taken into account.</p>
<i>Large companies are required to complete the columns below. Non-large companies are encouraged to complete the columns below.</i>		
<b>Measure</b>	:	<p>In the financial year 2019, the individual Board members, business associates and consultants were approached to submit the profiles of potential candidates that has the right skill set and experience to fill the position of Independent Non-Executive Directors. 	majority of independent directors. As the criteria required of an Independent Director of United Plantation Berhad differs greatly from other listed companies, the Board has re-assessed the timeline and decided that a target timeline of five years is more appropriate, i.e. by end 2023.	
<b>Timeframe</b>	:	Others

### Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

### Practice 4.2

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should justify and seek annual shareholders' approval. If the board continues to retain the independent director after the twelfth year, the board should seek annual shareholders' approval through a two-tier voting process.

<b>Application</b>	:	Departure
<b>Explanation on application of the practice</b>	:	
<b>Explanation for departure</b>	:	<p>3 of the 5 independent directors have served the Board for more than 12 years</p> <p>The Independent Directors, Tan Sri Datuk Dr. Johari bin Mat, Dato' Jeremy Derek Campbell Diamond and Mr. Ahmad Riza Basir have served on the Board for more than 12 years. Since 2012, the Company has sought annual shareholders' approval at the Annual General Meeting (AGM) for them to continue to serve as Independent Directors on the Board. The latest shareholders' approval was obtained at the last AGM held on 23 April 2019 through a single-tier voting process as provided in the Constitution of the Company.</p> <p>The Nomination Committee and the Board have determined at the annual assessment carried out on the 3 directors who have served the Board more than 12 years that they remain objective and independent in participating in the deliberations and decision making of the Board and Board Committees. The length of their service on the Board does not interfere with their exercise of independent judgment and they have acted in the best interest of the Group notably in discharging their roles, in the case of Tan Sri Datuk Dr. Johari bin Mat, as Chairman of the Board, Chairman of the Remuneration Committee and Chairman of the Nomination Committee, in the case of Dato' Jeremy Derek Campbell Diamond as the Chairman of the Audit Committee as well as the member of the Remuneration and Nomination Committees, and in the case of Mr. Ahmad Riza Basir as the member of the Audit Committee.</p> <p>Each of the above three independent directors has provided an annual confirmation of his independence to the Nomination Committee and the Board. The Board has recommended the</p>

	<p>continuation of these 3 directors as independent directors of the Company as the Board believes that it is in the best position to evaluate and determine whether any independent director can continue acting in the best interest of the Group and bringing unbiased and professional judgement to Board deliberations. The Board has to balance the need to continue with Directors who have intimate knowledge of the Group's business and fresh perspective which new candidates may bring.</p>	
<p><i>Large companies are required to complete the columns below. Non-large companies are encouraged to complete the columns below.</i></p>		
<p><b>Measure</b></p>	<p>:</p>	<p>The Board has re-assessed the timeline set in 2018 on limiting the tenure of the independent Board members and views that with the recent expansion of the Group's business following the acquisition of the additional plantation land, the Group will require a stable board, particularly of Independent Directors who have a good understanding of the Group's core business operations, to strategize the new development and bring it to fruition in the next 4-5 years. As such, the Board has moved the timeline for limiting the tenure of the independent directors from end 2021 to end 2023. This will allow the Board to concentrate on the business operations to enhance the value of the Group.</p>

In heeding this, there was a positive development for the Company in making greater strides towards notable gender diversity on the Board with the appointment of Puan Rohaya Binti Mohammad Yusof to the Board on 30 November 2017.
